

**FREE DEMO**

# BUSTING THE MYTHS OF WATERCOLOR *with Jeanne Hyland*

**Saturday, May 21, 1:30 - 3:30 pm**  
**at the Santa Fe Store**

**Workshop Parking**  
Please park on Maclovía,  
Artisan's side street.  
Thank you.

Keep your watercolor painting of any subject, including plein air, “workable” for hours in dry New Mexico. This demo is for artists of all painting media persuasions. Block in mid-tones, lift, paint back in, glaze over to achieve rich colors and a dimensional look—you will discover that watercolor is a most flexible and forgiving medium full of possibilities.

*Ms. Hyland's holds a BFA degree from UNH in figurative sculpture and studied at École des Beaux Arts, France. Commercial design in Colorado preceded a return to Fine Art participating in Loveland Sculpture Invitational, Sedona Sculpture Walk. Jeanne adopted watercolor after moving to California where she instructed at: LA Academy of Figurative Art, Learning & Product Expo, Brand Library Studios. Jeanne now teaches in Santa Fe, Artisan's ART Spot & Expo, locations nationally and internationally.*
