**2-day Workshop: *Watercolor; Rewet, Rework & Revive***

Let's get those paintings finished! Little known in watercolor is the ability to rewet your paintings on paper, make changes and continue painting on them to completion. Break out your stalled, "failed" or incomplete paintings and find great solutions to finish and enhance them. Check values, composition, contrasts, color, expression. Add new techniques and playful flourishes. You can remove or move areas and objects, plus add layers months later! Materials list upon request.
