WATERCOLOR *Wet & Workable;* **FLOWERS & STILL LIFE**

2-day Workshop: *Wet & Workable Watercolor; Flowers/Still Life*

Start your paintings with loose color washes, mingling, spatter and other intuitive processes or blocking in large shapes and values. Keep the painting “workable” for hours to lift, glaze or layer and achieve rich, dimensional, close-in flower portraits. Can be used for other subjects. Great for dry climates and finding new visual solutions in a medium full of possibilities. Paint directly without a line drawing as an oil painter would. You can easily get loose, flowing color, soft edges as well as crisp details. Materials list upon request.

When: **Friday–Saturday, August 19–20, 2016;** 9:00 a.m. – 4:00 p.m.

Fee: \$190 for 2 days. (1-hour lunch break)
