WATERCOLOR *Wet & Workable;* *OPEN SUBJECT &* *TRANSPARENT GLAZING*

1-day Workshop: *Wet & Workable Watercolor; Open & Transparent*

Wet glazing on saturated paper creates relaxed working time. Paint your favorite floral, still life, landscape or portrait subject. Learn to manage moisture in your brush, paint & paper for better results. See what transparent wet glazing can achieve in depth, richness & luminosity. It will open your eyes to what WC can be. Paint directly without a line drawing as an oil painter would. You can easily get loose, flowing color, soft edges as well as crisp details. Great warm up for painting on YUPO and Aquabond, too. Materials list upon request.

When: **Saturday, August 29, 2015;** 9:00 a.m. – 4:00 p.m.

Fee: \$90 for the day. *(1-hour lunch break)*
